

## AADE Copyright Form

Paper Number	
Conference and Date	
Paper Title	
Authors & Affiliations	

*The intent of the copyright ownership by AADE is to promote the sharing of technical information within the drilling industry and to provide for uninterrupted access to these technical articles, regardless of the status of the authors and companies represented by the technical papers.*

With this form, the undersigned conveys to the American Association of Drilling Engineers (AADE) the copyright on the above-described paper and recorded presentation with the exception of paper and presentation prepared by US government employees to which the copyright belongs to the US government. The undersigned hereby warrants that he/she is the author of the above cited paper and presentation or is authorized to represent the author on behalf of the author's employer (referred to below as Affiliated Company).

The Author(s)/Affiliated Company retain all other proprietary rights including patent rights.

Further, the AADE grants the Author(s)/Affiliated Company permission to use this material in other papers, derivative works, journals, books, and presentations provided proper credit is given to the AADE paper.

The AADE grants the Authors/Affiliated Company permission to reproduce, copy, or make the paper and recorded presentation available for use electronically, including on a company intranet or company library, provided the copies are not offered for sale.

All Authors have seen and approved the manuscript and have received approval from their appropriate company review process.  
**Each author must sign a copyright form attesting to this approval.**

The Author(s)/Affiliated Company warrant that, to the best of their knowledge, the paper does not infringe on anyone else's copyright. The authors indemnify AADE against any claim or infringement of copyright or other claims arising from this paper.
